

Davis A & M Updates

DEAR DAVIS A&M STUDENTS & FAMILIES:

On Friday May 1st, we hosted a virtual hangout. We were happy to see over 75 Davis A&M students, parents, and staff in attendance. During the hangout, Principal Jones addressed distance learning expectations and 2nd semester grading policy. Also, academic awards for 3rd quarter and honor roll students were recognized.

Summary of May 1st Virtual Hangout

- At Davis A&M, teachers are assigning work through Google Classroom (<https://classroom.google.com>)
- Students will receive **ONE** assignment per class, EACH week, and should spend about hour a day on assignments.
- Late assignments will be accepted without penalty.
- It is preferred that students complete the online Davis assignments. However, if you cannot access Google Classroom, please contact Davis, and complete CMSD assignment per content per week in the CMSD-provided learning enrichment packets.
- Student should complete virtual assignments **OR** CMSD packet assignments. They are not required to do both.
- If you do not see a Google Classroom for one of your teachers, check your email to see if you received an invitation, and then email your teacher to s/he add you.
- 2nd semester grading policy was explained (see chart to the right).
- If your computer is running slow or you need technical help email Mr. Rivera at ARivera@DavisAM.org
- Reach out to us with any difficulties academic or emotional. (see chart on 2nd page for information as to whom to contact and when).
