Principal's Message

Davis Students & Families,

We have so many great student and family events coming up. Tonight is a Zoom Parent Check-In. Join to share your thoughts and concerns. This Thursday will be our first Salsa Night for students and families. Salsa Night is brought to you by the Multicultural Student Union and Ms. Molton. We hope you will join us as a participant and/or a volunteer. Finally this Friday is Homecoming. See details below for each event.

A special thank you to the fathers and father-like figures who were able to join us last week at the annual Fathers Walk.

Only two more weeks to go in the first quarter. Please remind your student to stay for afterschool tutoring, offered everyday on the 1st floor, if he/she needs to make any improvements and/or complete assignments before the end of the quarter.

If you have questions about any of the announcements below, please call the school at 216.838.2500

Dean's Announcements

Scholars & Families:

We want to continue to encourage and display positive behaviors. Our reward system, PBIS-Positive Behavior Intervention & Supports, acknowledges students for being their best self while adhering to our school expectations.

Also, Ms. Scruggs, the Davis A&M SEL Coordinator, has coordinated several of our Davis students in a 3 day training for a peer mediator program through the district called W.A.V.E.-Winning Against Violent Environments. After the completion of the training our students would be certified to administer peer to peer mediation. Congratulations to our Davis students that were selected for this amazing platform.

Hello Argonaut's! What an exciting month we have had! From attending the M/V Mark W. Barker christening ceremony, to witnessing history at the Dr. Olivia J. Hooker building naming ceremony and participating in on-water training in kayaks, power boats and sail boats, the Argonauts have been busy. The fun continues with after school clubs! Registration is still open. The club registration packets can be picked up from Mr. Hatfield in the Argonaut office on the 5th floor, room 526. But hurry! Spots are limited. Clubs that are offered this year are Boat Building, Aviation, FABLAB, Drone, FIRST Robotics, Rowing and Sailing.

The FIRST Robotics team, The RoboAviators 8222, has a pre-season competition on September, 25th at the Great Lakes Science Center's Curiosity Open Robotics Competition! More than 15 FIRST Robotics teams will compete and one team of three will come out victorious. Come support our team and cheer us on! For more information please visit: <https://greatscience.com/curiosity-open>.

Cha-Ching! That's the sound of learning new technical and mechanical skills in an internship with Argonaut...While Making MONEY! If your scholar is interested in a fall internship, they can visit Mr. Sheehy in the Argonaut office. He will give them all the information they need to apply. Positions we are seeking candidates for include FABLAB Technician Assistant, Maritime Crew Member, FIRST Robotics Ambassadors (Must be a veteran robotics member), and more.

Argonaut of the Week:

Ortez Littlejohn is a senior at Davis Aerospace and Maritime High School and a current Argonaut Intern. Ortez interned with Argonaut over the summer as a FABLAB Technician Assistant and continued his work with us through the beginning of the school year. His primary duties were to complete routine maintenance on the FABLAB machines and train the younger interns on AutoCad and Adobe Illustrator and on the FABLAB machines.

Ortez has an interest in becoming a pilot and participates in Aviation club. He is also on the FIRST Robotics team. His drive and motivation sets an example for his peers and pushes them to be their best. His friends often describe Ortez as funny, hardworking, helpful, and an overall enjoyable person to be around!

College Now

Hello! My name is Ryan Clement, and I'm the College and Career Advisor from College Now. I was born and raised in northeast Ohio and recently served as an AmeriCorps VISTA in Cleveland. I'm in the process of obtaining my master's in business psychology. I will be assisting students with their post-secondary educational journey. I can help students and parents/guardians with the FAFSA, ACT/SAT testing, scholarships, college applications, and any other assistance you or they need in pursuing a career after high school.

College Now offers FREE college and career access advising, financial aid counseling, and scholarship and retention services. Don't hesitate to contact me to schedule a one-on-one appointment through

I have recently been assisting students with creating an FSA ID before filling out their FAFSA in October. The student and guardian/parents will need an FSA ID to complete the FAFSA. [Here is a link](#) on creating an FSA ID; please use the worksheet to document the user id, password, and security questions in the event you need this information later. Again, I'm here to assist you. Please contact me with any questions at rclement@collegenowgc.org or text/call 216-200-4876.
