Principal's Message

Davis Students & Families,

The end of the first quarter is coming up quickly on October 7th. That is less than a month away! Please remember that on our block schedule, the quarter grades will be recorded on transcripts. Students who fail for the quarter will need to repeat any class required to graduate. Please make sure to look at Schoology Gradebooks with your Davis student, identify missing assignments, and email teachers if you have questions about how to best support your child in a class. If you need help setting up your Schoology parent account, email LBowen@DavisAM.org for directions and your parent passcode.

With the year truly in full swing there are a lot of opportunities for students. After school clubs and tutoring are back. Tutoring is offered from 3:15 - 4:15 on Mondays, Thursdays, and Fridays in the 5th floor atrium. In addition to student events, we also have opportunities for families to get involved. Please read all the details below.

If you have questions about any of the announcements, please call the school at 216.838.2500

NEW THIS YEAR: *Academic Support and Mentoring* is now being offered everyday before clubs! EXTRA! EXTRA! Get Your Internship Here! That's right! Argonaut in partnership with Youth Opportunities Unlimited is now seeking interns for our Fall Internship Program. If your student is interested in building professional skills and learning more about their career interests WHILE making MONEY, they should speak with Mr. Sheehy today! Internships positions include FABLAB Technician Assistant and Maritime Crew Member. You won't want to miss this opportunity!

Argonaut of the Week: Gabriel Leonard

Gabriel is a Senior at Davis Aerospace and Maritime High School who interned with Argonaut this summer as a FABLAB Technician Assistant.

His work included designing a piece of storage furniture that would help organize the FABLAB and its many tools. He was also a mentor to his colleagues and a great help in assisting others on the FABLAB machines. His motivation to keep learning and try new things inspired many of his peers to do the same.

Because of his influence, Gabriel was voted Vice President of his Class! Gabriel is always positive and tries his best to lift others so that they have a great day. Way to go, Gabriel!
