

## Davis Aerospace & Maritime High School Family School Compact School Year 2024-2025

**Davis Aerospace and Maritime High School** scholars participating in the Title I, Part A program, and their families, agree that this compact outline how the family, the entire school staff and the scholar will share the responsibility for improved scholar academic achievement as well as describe how the school and families will build and develop a partnership that will help scholars achieve the state's high standards

- ### School Goals
- Strive to provide a high quality, engaging, hands-on curriculum with connections to the real world, specifically in the fields of Aviation, Aerospace, Maritime, and Engineering
  - Provide students opportunities to explore the school theme with opportunities outside the school building
  - Through Advisory Crew, build community among students and provide a single point of contact for parents to communicate with the school.
  - Hold Parent Teacher Conferences after Marking Periods 1 and 3, and Advisor Conferences in the beginning and end of the second semester.

● Maintain an online gradebook that is available to parents and students throughout the year, in addition to quarterly report cards and interim reports
